15th January 2016

Dear Parents/Guardians,

To celebrate Engineers' Week we have decided to take the children from the Oak and Sycamore Classes to an Air **Cannon Chaos** workshop in Imaginosity in Sandyford, on **Thursday, 11th February.** The workshop will last 45 minutes. The children will then get 1 hour 15 minutes to explore and interact with the exhibits on the floor. The workshop starts @9.30am sharp, therefore the bus must depart Powerstown ETNS @8.35am after the class roll call. Please ensure your child is in school on time and has a packed lunch. If your child gets travel sick, please let us know in advance.

The cost of the trip is €12.
This includes entrance fee to Imaginosity and the cost of the bus.

Please complete the permission slip below and return to the school with payment. Payment may also be made online

Kind regards,

_____
Helena Trench

Information on Workshop
Imaginosity presents science creativity for primary schools as part of Engineers Week 2015 with a series of exciting, engaging and lively workshops designed for children aged 4-8 years. The aim of the workshops is to engage children in hands on real world engineering.

The workshops have been designed to complement the National Curriculum in science for Primary Schools. Children will gain valuable skills in working scientifically, designing and making enabling exploration of energy and forces as well as materials. The workshops are 45 minutes long and are a mixture of demonstration and active participation. The workshops have been tailored to suit different age groups.

PERMISSION SLIP:

Child's Name: _____

I give permission for my child to attend a workshop in Imaginosity in Sandyford on **Thursday, 11th February.** I understand that the bus must leave promptly @8.35am & therefore it is my responsibility to have my child in school on time.
