06 October 2016

Dear Parents/Guardians,

We would like to invite you to participate in 'Maths for Fun' activities in the Oak and Sycamore Classes.

This is a four-week block of 30minute sessions where we hope any available parents/guardians will join us for fun and simple maths games and activities. All the games and activities will be prepared and laid out on the tables along with simple instructions.

Maths Week will also take place during this time, 17th-21st October. During this time the whole school will focus on Maths and the children will participate in many maths trails, challenges and activities.

'Maths for Fun' will take place in the Oak and Sycamore classrooms at the following times:

8.30-9.00:	Thursday 20 th October (Maths Week)
8.30-9.00	Thursday 27 th October
8.30-9.00	Thursday 10 th November
8.30-9.00	Thursday 17 th November

Please let us know if you can join us for any or all of these sessions. Senior Infants are looking forward to playing lots of fun maths games with any parents/guardians that can attend.

Grainne & Elaine
Oak & Sycamore Class Teachers
