Dear Parents/Guardians,

To celebrate Engineers' Week we have decided to take the children to a Junior ECO Action Environmental at The Greenhouse, 17 St Andrew Street, Dublin 2 on **Wednesday, February 12th.** The workshop will last 1 hour 15 minutes. The workshop starts @9.30am sharp, therefore the bus must depart Powerstown ETNS @8.35am after the class roll call. Please ensure your child is in school on time and has a packed lunch. If your child gets travel sick, please let us know in advance.

The cost of the trip is €12 per child.

Please complete the permission slip below and enclose with €12 in the envelope provided.

Kind regards,

Helena Regan

Information on Workshop

ECO-UNESCO's ECO-Action programme consists of a range of workshops covering a variety of environmental issues. Each workshop has a duration of 1.5 hours (workshop times and content can be tailored to meet your specific needs). The seven available themed workshops available include: Waste, Trees, Biodiversity, Water, Energy, World and Climate Change. Completion of all 7 workshops leads to an ECO-Leader certificate.
