SERIOUS INCIDENT AT DROP OFF ZONE

Dear Parents / Guardians,

This morning there was a serious incident on the school grounds. A child was hit by a car.

Our priority is the health and safety of our pupils, and we need you, our parents, to follow safety procedures to ensure our pupils are safe an incident such as this does not happen again.

- Use drop off zones, which are clearly marked;
 1. Drive your car into the drop off zone
 2. Stop your car,
 3. Permit your child to leave your vehicle.
- Do not park on pedestrian crossings.
- Do not drop off on main roadway.
- Only allow children to exit cars onto footpaths.
- Children and adults must use pedestrian crossings at all times.
- Ensure children look both ways before crossing the road.
- If an accident occurs, involving a child, parents must wait until they speak to Helena or Lorraine.

Drop-Off Monitors

We are establishing "Drop-Off Monitors" which we hope will be a team of staff and parents.

A staff member (and parent) will be wearing a high visibility vest during drop off and collection times. All parents must follow and abide by the directions of the Drop Off Monitor.

If any parents/guardians are willing to volunteer as Drop Off monitors, it would be much appreciated if they could fill the form below.

Yours sincerely,

Helena Regan (Principal)
