Dear Parents / Guardians,

The National Dairy Council has invited us to register for the EU Subsidised Milk Scheme.

This scheme must be funded by parents.

Each carton of milk costs just 20c each / €1 per week /€4 per month.

Three servings from the “milk, yoghurt and cheese” food group are recommended every day as part of a balanced diet and healthy lifestyle. Drinking a carton of School Milk each day is an affordable way to help children meet their calcium needs.

The National Dairy Council will provide fridges to store the milk in, to ensure your child’s milk is served chilled.

If you would like to avail of Milk Scheme, please complete from below and put €4 into the attached envelope for the first month’s supply of milk. Please return forms and monies, to your child’s class teacher.

Parents are asked to pay for milk each month, in advance to cover the costs. If you wish to opt out of the milk scheme, please inform the school **in writing**.

Kind regards

Helena Trench (Principal)
