## Redwood Class Field Trip

**Date:** Friday 8<sup>th</sup> of January 2016

**Cost:** €5

**Travelling to:** RDS Young Scientist Exhibition

**Departure Time:** 8am

**Return Time:** 5pm

7<sup>th</sup> December 2015

Dear Parents/Guardians,

Our Science Club has been selected to present their project at the RDS Young Scientist Exhibition on **Friday 8<sup>th</sup> of January! *Please note date change.***

This is an amazing accomplishment for our Science Co-ordinator Emma and the Science Club participants. They have been working diligently throughout the term on their project "***What effects do the size of blades on windmills have on the amount of energy generated?***"

**To support the science club we are organising a bus to travel to the RDS.**

The bus will leave the school grounds on Friday 8<sup>th</sup> of January at 8am. We will be back at 5pm. All children in the Redwood class are invited to attend. Students are asked to contribute €5 towards the cost of the bus for the trip.

***Please return permission slips as soon as possible.***

The RDS Young Scientist Exhibition is a fantastic opportunity for children to explore Science, Technology, Engineering and Mathematics projects and to get inspiration for the development of Science, Technology, Engineering and Maths in our school.

Kind regards

*Helena Trench*
