CYCLE RIGHT SAFETY COURSE: 10TH SEPTEMBER - 22ND OCTOBER

Dear Parents/Guardians,

This term, Alder class are taking part in a Cycle Safety Course led by the Irish Centre for Cycling. The course is seven weeks long (every Monday from 1pm-2pm) and will teach the children how to cycle safely on the road, using signals, identifying risks and learning about their bikes. All equipment is provided by the Irish Centre for Cycling, but if the children want they can bring in their bikes for the course.

This course is part of the PE curriculum and is an important part of the children's education in 5th class. The cost has been subsidised to minimise costs.

The course will involve the children practicing safe cycling in a supervised environment led by experienced cycle instructors. In the final week the children will go on a short supervised cycle to practice their safety skills.

Dates: Every Monday from 10th September until the 22nd October

Cost: €15 (includes all equipment and safety gear, and seven hours of instruction)

Please complete the permission slip below and return to class teacher by the end of this week and/or pay online via the app, and the school considers this as your consent for your child to participate.

Kind regards

Helena Trench (Principal)
