

# Powerstown Educate Together National School

## Newsletter 2/10/2020

### [Stay Safe Programme](#)

Every class is being taught the Stay Safe Programme in October. Personal safety skills are part of the Safety & Protection Strand Unit within the Social, Personal and Health Education...

### [Student of the Week 2/10/20](#)

Congratulations to all our fabulous students for another positive week in PETNS. So much has been achieved this week; family tree projects, Student Elections, Tree Day celebrations, Cycling Skills just...

### [Family Tree Project in Redwood Class](#)

In the Redwood class, we have been working really hard at learning to use Chromebooks independently and have been doing a lot of project work. We have created posters...

### [Willow Class visit Forest School](#)

The Willow Class went to the Forest School on Thursday to mark International Tree Day. We looked at all the trees, naming their parts and picked up leaves to identify which...

### [Coolmine Community School Enrolment for 6th class students](#)

Parents/Guardians, Please see information below from Coolmine Community School. PETNS

Dear Principal, Our Coolmine Community School virtual open night is now available to view at the following...

### [No smoking on campus](#)

A gentle reminder that we are a NO SMOKING CAMPUS. Smoking is strictly prohibited on the school grounds

### [Classroom Ventilation](#)

Many parents and guardians have had queries over windows being open and the risk their pupils will be cold in school and/or catch flu due to classroom being chilly. We...
