PTA Survey

Part 1. School lunch PTA has approached a few companies looking for information on their service and found Lunch Bag (part of Fresh Today) which seems to be very promising as they support healthy eating and green environment. Please see our summary below and visit their website www.lunchbag.ie for further information. Lunch comes in a [...]

Update from 4th Class

Beech Class are working hard learning all about Greece. We made Greek pots using paper maché and we decorated them using paint. We are doing project at home about Greeks Gods and in school we are learning about the Geography of Greece, completing projects using Google slides. It is interesting and challenging.

Update from our PTA

As you are aware, online Parent Teacher meetings are organised for next week. It is a great opportunity to build up a rapport between you and your child's teacher for actively participating in your child's learning. Here are some tips how you can make the most of the meeting. 1. You may want to ask [...]

Update from 6th Class – Wash your hands!

Last week the Maple class decided to do an experiment about bacteria for Science Week. Firstly, we got our ingredients (bread, table, door handle, washed and unwashed hands); we then spread the bread onto the objects and waited for a couple days. To summarise, the table had a bunch of germs and fungus, this is [...]
