Student of the Week 5/2/2021

A big shout out to all the boys and girls on participating so well in online activities and offline challenges this week! I was delighted to be invited into Classroom Zooms to see pupils presenting some of their projects this week. The level of research, attention to details, creativity and presentation skills demonstrated were absolutely [...]

Shout Out Friday 5/2/2021

Another fantastic week of remote learning here in Powerstown ETNS. Our pupils (and parents) are acing online activities and our class challenges this week. From creative 3D aliens, to 1916 projects; Viking villages in Minecraft to Dream Homes in submarines; fractions, decimals and percentages to World War 1 projects; Heritage week to baking challenges. IK [...]
