### **Update from Rose Class**

The Rose Class spent lots of time outdoors this week observing and learning about dandelions! We examined the flowers, thought about their shapes and textures and then sketched our own impressions! We also learned how you can eat dandelions and their leaves (after you wash them!) and that they're super healthy! Well done Rose Class!

### **Update from Birch Class!**

On Thursday the Birch class enjoyed the sunshine and completed some maths tasks and games outside in the Numeracy area. We are learning about division and multiplication and decided to have relay races to see which team could mark off the multiples on the 100 square chalk board in the quickest time, we did some planet [...]
