## Back to school advice for parents and children from DoE

Below are guidance and videos we have created with some back to school advice for parents and children attending primary and post primary school. You are encouraged to watch these videos with your child before they return to school.

Back to school advice for Senior Infants - 2nd class: [Click here](#)

Back to school advice for 3rd - 6th class: [Click here](#)

## How to prepare your child for returning to school during COVID-19

Everyone has been working very hard to ensure a safe reopening of schools for staff, students and their families.

Most students will be looking forward to going back to school and will feel happy and excited. Some may feel a little anxious about returning. That's a normal response at a time of change. Most will settle back in soon once they get used to the new rules and routines.

[See more information and a downloadable flyer.](#)

## Information in your language

[Information for parents/guardians and for students on returning to school \(multi-lingual\)](#)

## Health advice for parents

See up to date information on what to do if your child has symptoms of COVID-19, how to get urgent medical help if your child is unwell and how to protect your child from COVID-19 using the link [HERE](#)

## If your child is a close contact of COVID-19 in school

Listen to expert advice from Dr Abigail Collins on what to do if your child has been in close contact with someone else who has COVID-19 in school. [CLICK HERE for video](#)
