School Garden and Forest School Committee 2021/22

Introducing this year's School Garden and Forest School Committee! We had a wonderful first meeting last week where we gathered outdoors to assess what needed to be harvested. The committee helped to do some weeding in our geodome and harvested 2 massive courgettes, 2 squashes, some peppers and tended to our tomatoes which are almost ready for [...]

Message from Our Garden Committee regarding Geodome

Dear Parents/Guardians, Although we are delighted to see your interest in our raised beds and Geodome, we ask kindly that you do not enter these areas unaccompanied by a staff member. These areas are carefully managed and unfortunately we cannot have any unsupervised visitors to

these areas in order to protect the crops. Additionally, this area is [...]

PTA Update

Dear Parents/Guardians, This has been a special week for our children with the return of the long awaited afterschool clubs. Everyone involved has been very excited about it and the feedback is very positive, especially from parents who can now skip the 2pm traffic madness occasionally. Hopefully it will all go well and the school [...]

First Meeting of the Year: Our New Active School Committee

A big congratulations and well done to all those who got elected to represent their classes on the Active School Committee. What a productive first meeting we had together. On this month's agenda we started with some rough ideas for possible fundraisers for sports equipment in the future. There were some brilliant ones from every class. We [...]
