[Update from Lime Class](#)

Lime Class had a delicious take on a floating and sinking lesson this week. We decided to test whether cookies would float or sink in milk. We had a number of different hypotheses and our predictions and results were both interesting and fun. We learned all about materials that were porous and the density of various liquids.

Bag2School Clothing Collection 1st March

Powerstown Educate Together National School PTA are running a clothing collection in conjunction with Bag2School Ireland. By getting involved in our Bag2School collection you have an opportunity to sort through your cupboards and wardrobes and donate any unwanted textiles in the bag provided. This can include adult and children's clothes, shoes (tied together please), hats, [...]
