

# Growing with DLD

DEVELOPMENTAL LANGUAGE DISORDER (DLD)

AWARENESS DAY - 14 OCTOBER 2022

Wear something purple or yellow on **Friday 14<sup>th</sup> October** to help us raise awareness of DLD

## Do you know?

People with DLD have difficulties with talking and understanding language

Two children in the average classroom have DLD (1 in 14 children)

People with DLD are 6 times more likely to have reading difficulties

People with DLD have difficulties with language, not intelligence

Support from teachers and therapists makes a big difference
