Holly Class Update

Last Friday in Holly Class we worked together to make banana bread. We followed instructions from the teacher, washing our hands and preparing the food. We helped to sieve the flour, mash the banana and whisk the eggs. We measured the baking paper for the tin and when the mixture was ready we poured it into [...]

Update from Chestnut Class

Chestnut Class were working hard on their entries for the Educate Together national competition! The competition is to have your art featured in the new Learn Together Curriculum! We spoke about the environment and how we can help look after it for all the plants and animals! We then worked together in our groups to [...]

Update from Redwood Class

Redwood class has been busy this week learning about Outer Space. We created papier mache planets using papier mache gloop, balloons and newspaper. Everyone loved getting messy and using our creative skills. We also celebrated Tree Day last week by going on a tree observation walk. We observed trees in our local environment. We took [...]

Learning through Drama in Laurel Room

In 6th class, we are reading the novel, "Under the Hawthorn Tree" by Marita Conlon Mc Kenna. The story is set in Ireland during the Great Famine. To improve our understanding of the story, each group chose a scene and created a freeze frame. The rest of the groups had to guess which scene in [...]

DLD Awareness Day Friday 14th October

This Friday, October 14th is Developmental Language Disorder Awareness Day. The Birch Class have once again been very busy preparing for DLD Awareness Day by learning about strategies that can help children who have difficulties understanding and/or using language. To celebrate DLD Awareness Day, the Birch Class students have some ideas in which the school [...]
