### **CARA – Sport Inclusion Disability Charter**

Our school has been working in partnership with CARA, a national pan-disability sport organisation who provide partnership and support to schools and sports clubs around Ireland to increase sport and physical activity opportunities for people with disabilities across Ireland. Our whole staff recently completed their Autism in Sport training to help us better our inclusive practices [...]

### **Rock Your Socks for Down Syndrome Day – March 21st**

March 21st is World Down Syndrome Day. We will be celebrating by 'Rocking our Socks' and we invite you all to do the same! This is not a fundraiser – we just want to have fun and celebrate diversity and difference!

### **Down Syndrome Awareness Fact #3**

The most important thing to note is that Down syndrome is just a part of someone. It does not define them. People with Down syndrome are people first and foremost and deserve

the same respect and treatment that you would give any other person. The preferred language to use when referring to someone with Down syndrome is "a person [...]"
