Transferring to Special School (Mild Intellectual Disability)

Dear Parents / Guardians,

When children complete 6th class in primary school they are required to transfer to Secondary School. It is the duty of parents/guardians to find a suitable second level school for their child.

Please find below a list of special schools that cater for children with Mild Intellectual Disabilities that are accessible to students in the Dublin 15 area and their contact details.

I advise you to contact them, arrange a site visit and explore options for Nicoletta **before the 1st of October 2023.**
