Clean Air Week 20-25 November 2023

Reminder: Please turn off your engine while stopped on the school campus. This week is Clean Air Week so let's try to reduce unnecessary emissions in our environment. It also improves road safety for our children. Thank you for helping us work towards a safer, cleaner environmental space for our school community. For more info:

action that can make a big difference to air quality.

**School children
can't tell which
cars are moving
when all engines
are on.**

**Stop
Idling.**
